It is not very often that you find a successful Bollywood (<http://www.mensxp.com/technology/web-and-social/26235-this-twitter-account-uses-vintage-bollywood-pictures-to-describe-everyday-life-situations-and-its-hilarious.html>) film that is commercial, and yet heartfelt. 'Yeh Jawaani Hai Deewani' boasted of all that it takes to make a typical Bollywood masala film – romance, groovy music, exotic locations, a star cast to die for, popular dance numbers, even an item number by Madhuri Dixit. But beyond all of that, it captured the essence of life. One of the best coming-of-age movies

(<http://www.mensxp.com/entertainment/gossip/25909-14-coming-of-age-bollywood-films-you-just-cannot-miss.html>) you can find in Bollywood, 'Yeh Jawaani Hai Deewani' captures this young and restless generation, their idea of romance, their friendships, their dilemmas perfectly well. The honesty with which it is made is what makes it so heart-warming that it is impossible not to find yourself in one of those 4 characters in the film. Here are 45 things 'Yeh Jawaani Hai Deewani' will teach you about love, life and friendships.

14. You're not as boring as you think. You don't have to drink alcohol, socialise, party hard and flirt at the drop of a hat to be cool.

15. Love isn't always what you feel about someone. It is also how that someone makes you feel about yourself.

16. You know your friendship is strong when you don't need words to communicate with and understand each other.

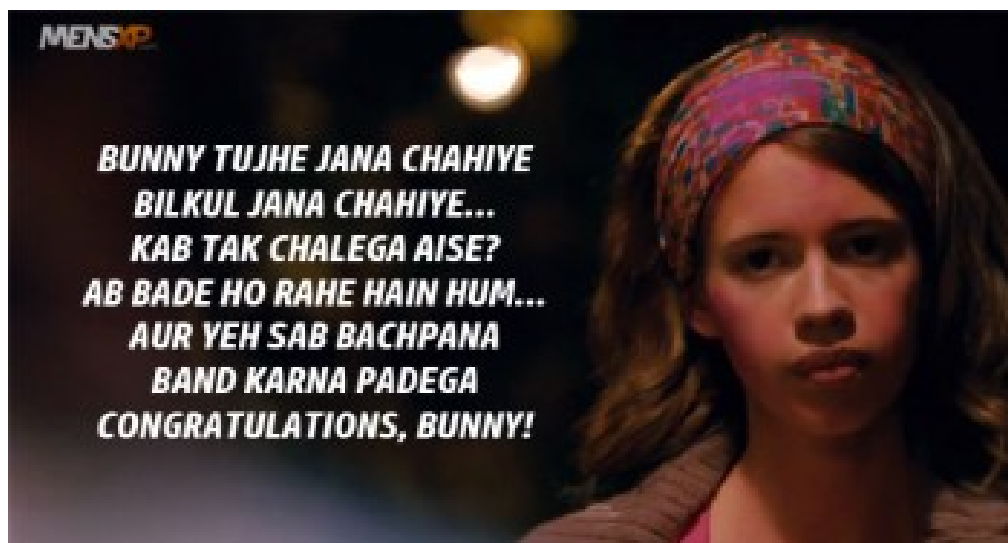

17. Some moments in life change you forever and stay close to your heart all your life.

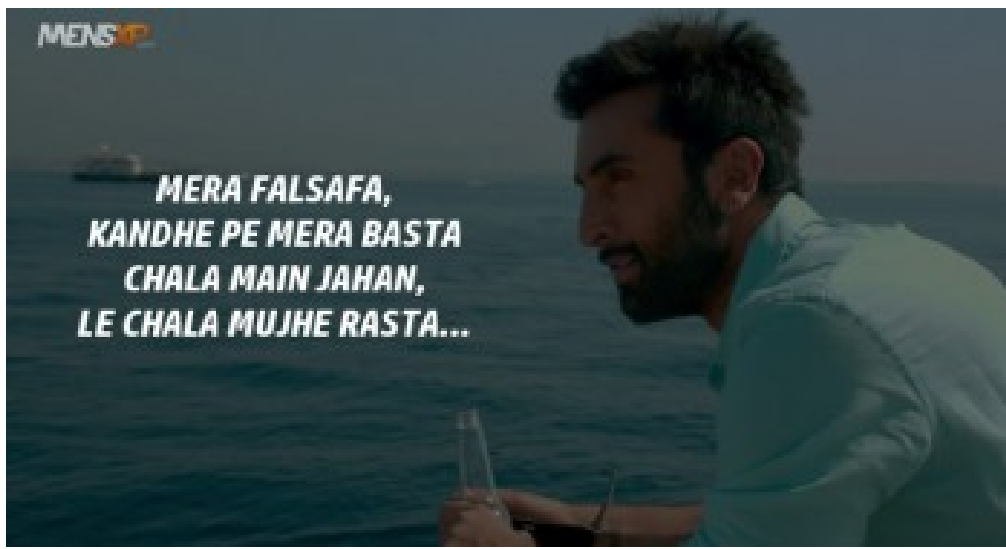

18. Good friends will give you their blanket when you're cold. Best friends will snatch yours when you're half asleep, because...well, because f*ck you.

19. There comes a time when you realize not everything is under your control. Things change and there's nothing you can do about it other than deal with it like an adult. It is called growing up.

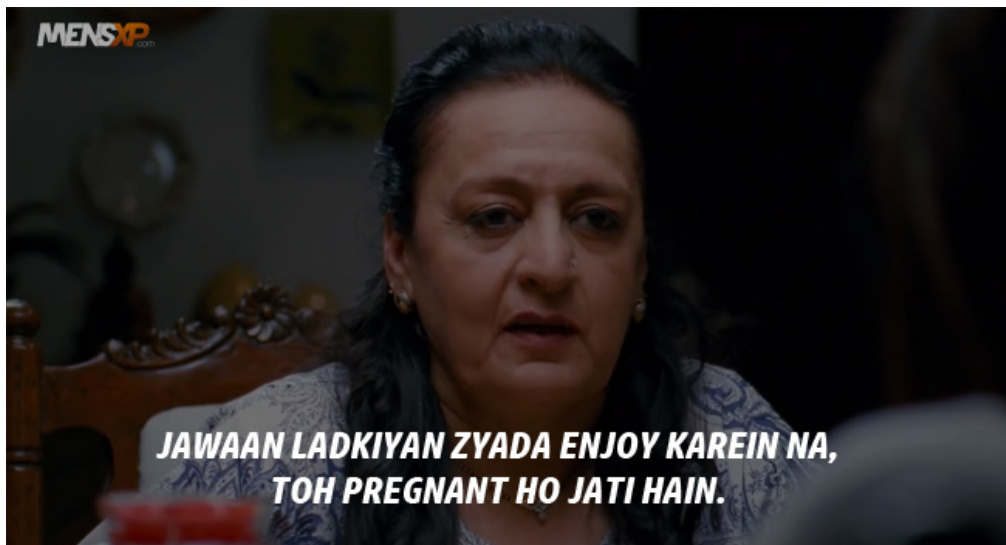

20. You don't have to be good at academics to be successful in life. Follow your true passion and you'll have the time of your life.

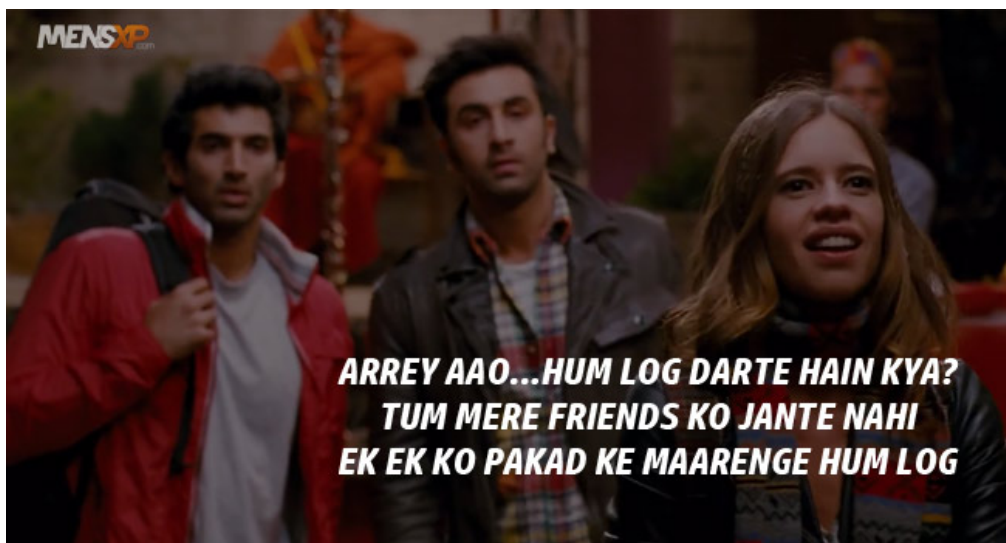

© Dharma Productions

© Dharma Productions

30. Your decisions may sometimes hurt your friends, but they'll eventually understand. They always do.

© Dharma Productions

31. True love is unconditional. No complaints.

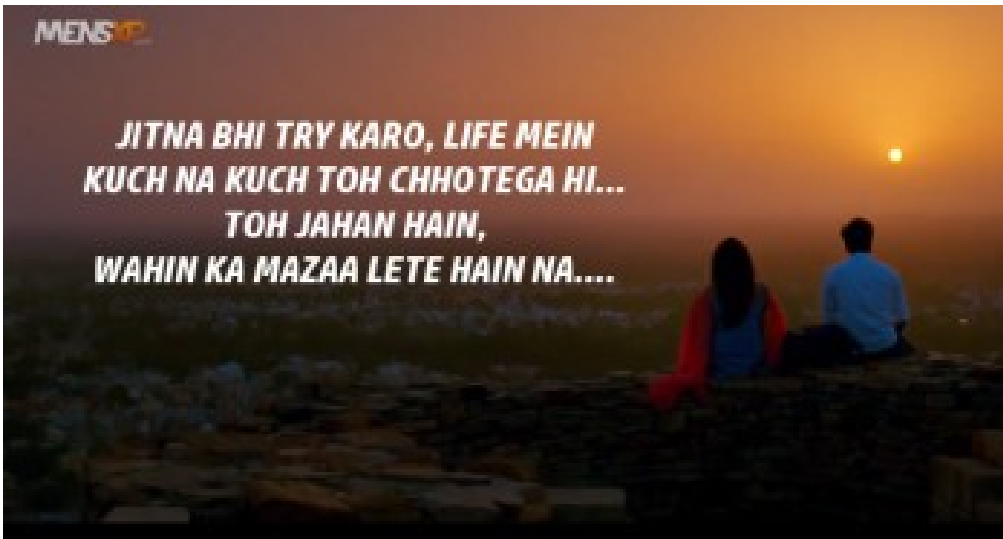

© Dharma Productions

32. Celebrations are incomplete without your best friends by your side.

© Dharma Productions

33. You cannot have it all. Don't always be on the run after things you desire. Appreciate what you have.

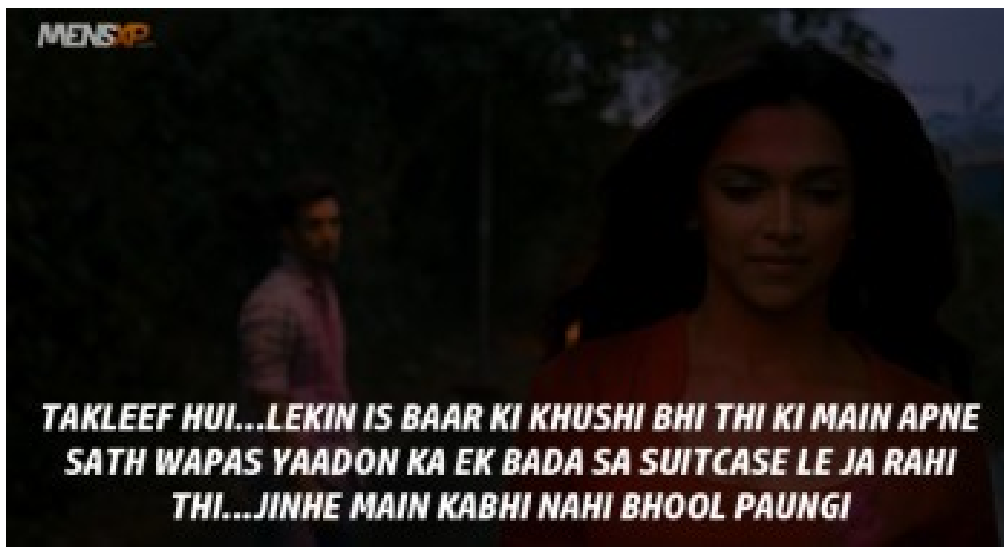

© Dharma Productions

34. No matter how busy you may be in your life, never miss out on your friends. Without them, no success is worth it.

© Dharma Productions

35. Let go. People who are meant to come back, will do. A heart-break shouldn't mean the end of your life.
